Junior Golf League

This program is designed to promote junior golf participation to the youth of our community, by giving young golfers the opportunity to play golf with their peers. The league is open to golfers aged 8-17. A block of tee times will be dedicated to our Junior League on Monday afternoons between 2:00 pm and 2:30 pm starting on July 3 to August 21 (8 weeks). Kids will paired up and sent out as they arrive.

Some golf experience is required (ie previous lessons), as supervisory staff will be present to monitor pace of play and etiquette, but NO formal instruction will be provided with this league. All participants must be able to walk 9 holes on their own (no power carts permitted). Parent participation is welcomed.

Our **Junior Open Tournament** is scheduled for Thursday, August 10 – League members are encouraged to participate and will be given a discount rate.
